Congradulations to Shawn Wilson. Winner of our "Deuces Wild". He will be able to shoot next month July 21, 2024 for free.

Thanks for everyone who participated and hope to see you again next month and bring some friends.

Be aware that shooters could be walking in very wet grass from dew or rain and need to wear appropriate footware.

Everyone who has particiated has enjoyed it. Lots of positive feed back.

In April we had 1 winner of the Shooter's Wager on the last shot of the day. The balloon survived May to wave at us another month. This June the balloon was popped on the first shot. A total of 4 shooters popped the balloon and will get an even split of the pot. Side note about popping balloons 1 shooter really showed us how to deflate it without popping it. Just scare the air out of it by putting the smallest hole possible in it. Incredible shooting Gary.

Special thanks to Michele Johnston for her help with regristration and handling the money for the event.
